

67th Annual Summer Regatta

Corsica River Yacht Club

July 26th and 27th

Welcome Sailors! We look forward to hosting another laid back Eastern Shore style regatta and seeing many old familiar faces, but also looking forward to seeing some new faces in the crowd. There are some minor changes this year to our venue, most notably the new start time for the one design fleet – skippers meeting 11 AM; First Warning 12, Saturday lunch and a new dinner menu. We hope you enjoy this regatta as much as our members enjoy hosting the event.

NEW! On-line registration is available at www.cbyra.org/regatta.

Typical one design fleets: Penguins, Lasers, Optis, Sunfish, Catboats, 420's, Comets, Beach Cats and All Comers using the Portsmouth Yardstick Handicap (see USSailing.org - if your boat is listed, you can bring it to the race).

In addition, the Magothy River Sailing Association and CRYC collaborate on a race to and from Conquest with Tritons, Cals, and the PHRF A,B. C/D and N fleets called the Corsica River Race Back.

Boats are launched from the beach. There is no lift, but we have been putting Comets in the water with no difficulty.
