QUESTIONS?

David Thompson DThomp01@aol.com 703-620-6571

All one design classes are welcome!

Five or more boats get separate starts. Smaller fleets will be combined. The races will be governed by the 'rules' as defined in the *Racing Rules of Sailing*.

Larger dinghies and catamarans sail on the upper course off of Haines point with the Capitol and monuments as a backdrop. Penguins, El Toros, Lasers, and Bytes will sail on the lower course off of the powerplant and only a short distance from the docks.

The race committee will determine the number of races each day and intends to run six races total. Each race being between 45 minutes and an hour. One race constitutes a regatta. If there are six or more races, one throw-out will be used in the scoring. Otherwise, all will count.

This is a CBYRA-sanctioned event for Albacores, Lightnings, Mobjacks and Thistles. This is an event open to all one-design boats.

Party Saturday after racing. PRSA will supply beer, sodas, burgers and dogs. Local captains, please bring a salad, hors d'oeuvres or dessert to share. Coffee and doughnuts available at registration.

Trophies will be awarded to each member of the winning crews with depth based on class participation in the previous year's regatta: 4 deep for 13 or more, 3 deep for 9-12, 2 deep for 5-8, and 1 deep for 1-4.

Sailors will also compete for two perpetual trophies: 1) The Catherine Hearst Women's Trophy for the woman skipper beating the most boats in her class and 2) The Leonard Penso Senior's Trophy for the skipper over 50 years of age beating the most boats in his or her class.
